Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Set out below is the tabular representation of the number of cataract procedures carried out at Letterkenny University Hospital in 2021 and to date in 2022.

Year	2021	2022
Number of Surgeries	47	12

The surgical appointments are arranged by the Community Ophthalmology administration team in Donegal.

I trust this information is of assistance to you, but should you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Amanda Doyle,
