Dáil Éireann

Leinster House

Dublin 2.

PQ 6221/22 - The number of whole-time equivalent clinical nursing specialists in migraine as of 31 January 2022; and the number of these specialists in each hospital in tabular form

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I understand that the staff census information collected by HSE HR can provide information on the number of Clinical Nurse Specialist WTE employed by HSE but cannot provide the detail you request with respect to the type of services they are providing.

I trust this is of assistance to you.

Yours sincerely,

Carol Ivory

General Manager,
