Re: Parliamentary Question – 6568/22

To ask the Minister for Health if the refurbished unit 2 of Abbeyleix Hospital which is designated for 18 acute beds will be staffed by multi-task assistants and healthcare assistants who have been based in the Abbeyleix facility. -Brian Stanley

Dear Deputy Stanley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

There is a roster review currently underway at Abbeyleix Community Nursing Unit under Older Persons Community Services and the outcome of this is yet to be determined.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
