Dear Deputy Nash,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

It is expected that construction will commence in Quarter 3 2022 on the new 50 bed Community Nursing Unit (CNU) at St. Joseph's Hospital, Ardee, Co. Louth.

The CNU is being procured as part of a bundle of 7 CNUs dispersed nationally with a capital value of approximately €200million for all 7 Community Nursing Units.

Yours sincerely,
