Dear Deputy Shortall,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Please see below Table 1 which lists the population of each CHO. This information was sourced from <https://finder.healthatlasireland.ie/> which is a useful resource that can be used in a number of ways to source geographic information in relation to CHOs, LHOs, demographics etc. Please note the current figures are from the 2016 census which is the latest data available at this time.

I trust this information is of assistance to you.

Yours sincerely,

Yvonne O'Neill,
