PQ 7082/22 To ask the Minister for Health the future plans proposed for the HSE Dispensary, Quarry Road, Cabra: and if consideration can be given to relocate the local family resource centre to this building – **Mary Lou McDonald**

Dear Deputy McDonald,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted for response. I have examined the matter and the following outlines the position.

The HSE Dispensary also known as Cabra Health Centre, Quarry Road currently houses a HSE Dental Surgery. It is also occupied by both clinical and administration staff for Chronic Disease Management and Community Health Network Staff. Community Healthcare Organisation Dublin North City and County is undergoing a significant recruitment campaign as part of the Enhanced Community Care programme and some of these staff have been located at Cabra Health Centre. As the building is being used effectively at present, there are no plans to reassign the building and therefore it will remain a HSE Primary Care building.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Michelle Forde
General Manager Primary Care
