Re; PQ 7436 22

To ask the Minister for Health the number of hospital appointments which were cancelled, postponed and rescheduled in Mayo University Hospital in each of the years 2019, 2020 and 2021, in tabular form. – Peadar Toibin

Dear Mr Toibin,

Thank you for your above query. Firstly, see the following regarding waiting lists for inpatient and outpatients. Our cancelled appointments include postponed and rescheduled appointments.

2020;

Total cancellations;	11,577
Hospital cancellations;	7,162
(Approximately 4,500 in March April May)	

2021;

Total cancellations to July;	4,445
Hospital cancellations to July;	2,485
Cyber-attack;	1,385

The information is as correct as we can give however it is not reliable, due to a number of factors including changes to the Hospital Management Reporting System in 2020 and the subsequent impact of the cyber attack in May 2021.

Kind Regards,

Catherine Donohoe
Hospital Manager
