**PQ 7534/22\* To ask the Minister for Health the status of the HSE's climate plan and decarbonisation strategy; when it will be published; and if he will make a statement on the matter. -David Cullinane**

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE is in the process of developing a Preliminary Infrastructure Decarbonisation Strategy and Implementation Plan which will set out the steps required for the Health Service to comply with the energy efficiency and GHG emissions reduction targets as set out in the Climate Action Plan 2021.

This Strategy and Implementation Plan is currently in draft form and the HSE expect that it will be published no later than Quarter 2 of 2022.

Yours sincerely,

---
