**PQ 7640/22 \*To ask the Minister for Health the number of whole-time equivalent clinical nurse specialists in stomacare in each of the years of 2020, 2021 and to date in 2022; and the hospitals in which these clinical nurse specialists are located in tabular form. -Alan Kelly**

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I understand that the staff census information collected by HSE HR can provide information on the number of Clinical Nurse Specialist WTE employed by HSE but cannot provide the detail you request with respect to the type of services they are providing.

I trust that this is of assistance

Yours sincerely,

---
