**PQ 7693/22\* To ask the Minister for Health the status of the ongoing infrastructure improvements to the neonatal intensive care facilities at the Rotunda Hospital; and if he will make a statement on the matter. -Neasa Hourigan**

Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Following the conclusion of the Design Team tender process, appointments of the preferred Design Team members are currently being finalised.

Constructive on-going engagement is continuing with the Rotunda Hospital and respective stakeholders with a view to agreeing the appropriate scope of work for the Critical Care Wing project.

It is expected that this will be concluded shortly.

Yours sincerely,

---
