**PQ 7718/22\*To ask the Minister for Health the timeframe for the completion of capital works at Lifford Hospital, County Donegal; the services that will be available at the hospital post completion of works; and if he will make a statement on the matter. -Pearse Doherty**

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The temporary closure of Lifford Community Hospital has allowed for a review of the building by HSE Capital & Estates to be carried out.

The review has identified the minimum scope of priority works required at Lifford Community Hospital to allow the hospital to be put back into service operation.

A capital submission for this project at Lifford Community Hospital is currently under consideration by the HSE's National Capital & Property Steering Committee.

Yours sincerely,

  
**Jim Curran**  
National Director,  
Capital & Estates
