PQ 7724/22 * To ask the Minister for Health the status of the provision of a primary care centre in Swords, County Dublin; and if he will make a statement on the matter. -Duncan Smith

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The Swords Primary Care Centre is being delivered via the HSE's Primary Care Centre Operational Lease mechanism.

Swords was included on the latest National advertisement seeking expressions of interest from third Parties in the Provision of Primary Care Centre via Operational Leases.

The HSE received final submissions from the interested parties that met all qualifying criteria in Quarter 2 2021.

This selection process is concluded and the transaction was approved by the HSE Board at the board meeting on 28th January 2022.

The HSE is engaging with the selected developer to finalise the design of the PCC. The current estimated delivery date of the Primary Care Centre is 2025.

Yours sincerely,

Jim Curran
