RE: Enable Ireland CDNT 2 and 7

“To ask the Minister for Health the number of children awaiting a pre-school assignment and a psychological assessment with an organisation (details supplied) based in south west Dublin.”

-Seán Crowe TD

Dear Deputy Crowe,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister of Health for response. I requested the Managers of the Children’s Disability Network Teams 2 & 7 - (CDNT 2 & CDNT 7) to examine the matter and the following outlines the position.

There are no children waiting a pre-school assignment as Enable Ireland does not have a pre-school in south west Dublin. If the need has been identified to the team that a child requires a psychological assessment to access a special preschool this assessment will be completed in the relevant timeframe.

I trust the above information is of use to you and if you require any further information please do not hesitate to contact me.

Yours sincerely,

Deborah Jacob
