PQ 7781/22 * To ask the Minister for Health the status of the delivery of the planned primary centre for Dundalk, County Louth. -Ruairí Ó Murchú

Dear Deputy Ó Murchú,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Approval to proceed with the new Primary Care Centre was granted by the Board of the HSE in line with the recommendations of the Property Review Group.

The design process with the developers, architects and service users have delivered an agreed design and floor plans.

The developer's Design Team are now in the process of preparing a planning application for submission to Louth County Council.

Yours sincerely,

Jim Curran
