**PQ 7943/22 - To ask the Minister for Health the status of the reopening of the Keltoi service - Thomas Gould TD**

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The Keltoi building continues to be required as a Social Inclusion Covid Isolation facility. There are no plans at present to revert to its use as a residential addiction unit. However, we continue to organise placements with a number of other Tier 4 residential treatment service providers with additional beds purchased to meet demand.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Tom O' Brien  
Head of Service Primary Care
