**Question: To ask the Minister for Health the number of Covid-19 vaccines that have been administered in pharmacies in each county in tabular form; and if he will make a statement on the matter.**

Dear Deputy Kehoe

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

The attached Appendix outlines the county breakdown of vaccine doses administered by pharmacies over the course of both the Primary and Booster Vaccination Programmes as of 27<sup>th</sup> February 2022.

I trust this information is of assistance.

Yours sincerely,

---
