PQ 8189/22* To ask the Minister for Health the plans the HSE has for the Royal Hospital, Baggot Street, Dublin 4; and the efforts that will be made to protect this important building; and if he will make a statement on the matter. - Jim O'Callaghan

Dear Deputy O'Callaghan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

HSE Capital & Estates are currently undertaking a Design Feasibility Study to determine the best use of the Royal Hospital, Baggot Street site.

Included in the Feasibility Study is the possible retention of part of the site for the purposes of building a new Primary Care Centre and the disposal of the remainder of the site/buildings that are not suitable for healthcare provision.

Yours sincerely,

Jim Curran
