Deputy Pádraig O'Sullivan.
Dail Eireann,
Dublin 2.

Date: 01st April 2022

PQ Number: 8209/22

PQ Question: To ask the Minister for Health the number of additional CAMHS staff recruited to date in 2022, by LHO; the number of CAMHS staff that have left the service in the same period; and if he will make a statement on the matter - Pádraig O'Sullivan

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Please find below the breakdown of starters and leavers within the CAMHS service to date in 2022. The data available for this is at CHO level. The inclusion of Starter and Leaver activity is dependent on all paperwork being completed and submitted prior to set-up in the various locations throughout each CHO area.

Please note, in relation to the Medical Dental figure in the table below, that changes in January and July each year reflect the biannual rotation of non-consultant hospital doctors (NCHDs) and the natural movement which occurs at these times.

I trust this information is of assistance to you. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

Jim Ryan
Assistant National Director - Head of Operations
National Mental Health Services
