PQ8384/22 – To ask the Minister for Health the number of children waiting on appointments for mental health treatments in ACCES Team Homeless Mental Health Service in tabular form in each of the years 2018 to date in 2022; the average wait times; and if he will make a statement on the matter.

Dear Deputy Ward

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I wish to advise you that the Access Homeless Mental Health Team provides a service to adult patients between the ages of 18 and 65.

I trust this clarifies matters.
