PQ 9085/22* To ask the Minister for Health if he will provide an update on the provision of a primary health care centre in Collinstown, Clondalkin, Dublin 22; and if he will make a statement on the matter. -Mark Ward

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

HSE Capital & Estates in consultation with the Department of Education and the Dublin & Dún Laoghaire Education & Training Board (DDLETB) have identified a site at Collinstown Park Community College for the development of a Primary Care Centre in the Dublin 22 area.

The Department of Education intends to progress the disposal of said site to the HSE in accordance with the Protocol for the Intra-State Transfer of State Property Assets. Heads of Terms outlining this proposal are awaited from the Department of Education presently.

Yours sincerely,
