Re: PQ 9190/22

Requesting the number of adults with intellectual disabilities in residential care in counties Clare, Limerick and Tipperary.

Dear Deputy McNamara,

The Health Service Executive has been requested to reply directly to you in the context of the above Representations which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm as per the table below the number of Adults with Intellectual Disability and/or Autism that are supported in residential care in HSE Mid-West Community Health Care Area 3 as per December 2021.

North Tipperary	Limerick	Clare
367	287	141

I trust this clarifies the situation but should you require any further information or clarification, please do not hesitate to contact me.

Yours sincerely,

Ethna McTeague
General Manager, Disabilities
