**PQ ref 1335/22 - Seaview House, Mountcharles, Co. Donegal - To ask the Minister for Health when respite services at a location (details supplied) will open on a seven day basis; and if he will make a statement on the matter.**

Dear Deputy Doherty

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and can confirm that a funding submission to extend the respite service at Seaview House, Mountcharles, County Donegal from a five day service to a seven day service has been included in the HSE 2022 Estimates process.

The detailed budget allocation for 2022 for CHO1 Disability Services is in the process of being finalized at national HSE level. Until received CHO1 Disability Services cannot confirm if an increase in the respite service level provided at Seaview House can be funded.

I trust that this is of assistance but please do not hesitate to contact me if you require anything further.

Yours sincerely
