Re: PQ 1954/22 – Neurology services, WGH

“To ask the Minister for Health the neurology services that are available to patients in County Wexford living with a neurological condition; and if he will make a statement on the matter.”

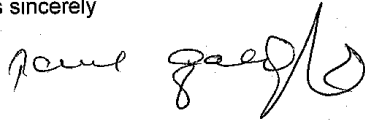

Dear Deputy Mythen,

I refer to the above Parliamentary Question seeking an update on Neurology Services in Wexford General Hospital, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that there is no Neurology service available at Wexford General Hospital. All such cases are referred to Beaumont Hospital, Dublin.

I trust this information is of assistance to you.

Yours sincerely
