PQ 2076/22 - To ask the Minister for Health if he will review the currently available list of pharmacies participating in the Covid-19 vaccine roll-out to ensure it is up to date; the way in which a pharmacy can have its name removed from the list when it is no longer participating in the roll-out; and if he will make a statement on the matter. -Emer Higgins

Deputy Higgins,

Thank you for your PQ in relation to the list of pharmacies participating in the Covid vaccine rollout.

We have passed your comments onto the relevant department who have agreed to conduct a review and ensure the list of Pharmacies is up to date. This review is currently ongoing.

Pharmacies can request updates to the listings through an online form at <https://www.hse.ie/eng/pharmacy-service-request/>.

Pharmacies have contributed greatly to the COVID -19 vaccination programme and continue to do so. I hope the above is of assistance.

Yours sincerely,

Susan Kenny
