Re: PQ 62969/21

To ask the Minister for Health the number of full-time consultant maxillofacial surgeons attached to Nenagh Hospital in 2020 and 2021; and if this number will be increased. -Martin Browne

Dear Deputy Browne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I have been in contact with the relevant staff and I have been informed that UL Hospitals Group has two WTE consultant maxillofacial surgeons covering the MidWest region including Nenagh Hospital. There are currently no plans in place to increase the number of maxillofacial surgeons operating at UL Hospitals Group.

I trust this clarifies the position. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

Colette Cowan
Chief Executive Officer
UL Hospitals Group
