*Details supplied: Carmona School, Glenageary, Dublin The school still has not received its pre-Covid allocation of services which was promised by the Taoiseach and Minister of State Rabbitte*

Dear Deputy Richmond,

Thank you for your recent correspondence. The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the current position.

HSE Disability Services met with the TD from the consistency where Carmona is located on Thursday 13<sup>th</sup> January 2022.

They were advised of the interagency working group and it was agreed at that meeting that HSE Disability Services would provide an update after each meeting to Minister Rabbitte's office for sharing with the TD's.

I trust that this information is of assistance to you.

Yours sincerely
