Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The tables below provide the cumulative number of patients waiting to be seen by services where waiting lists are routinely captured at a national level however please note that an individual could be on more than one waiting list at any given time and this would be included in the figures below.

I trust this information is of assistance to you.

Yours sincerely,

---

Yvonne O'Neill
