PQ 35675/22

To ask the Minister for Health the number of Irish patients awaiting initial assessment for a sleep disorder screening appointment in either a respiratory clinic or specific sleep disorder clinic; and if he will make a statement on the matter. -Cian O'Callaghan

Dear Deputy O'Callaghan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Response

The NTPF which has the statutory responsibility for reporting waiting lists have advised that the information on outpatient waiting lists does not specify individual diagnostics that a patient may be referred, therefore the data is not collected centrally.

I trust that this answers your question.

Yours sincerely,

Kevin Finnan
