PQ 36211/22 – “To ask the Minister for Health if he will provide a report on exit interviews conducted in CHO7 for persons’ leaving the health service including the reason; the position the person held; and if he will make a statement on the matter”

Dear Deputy Ward

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

The issue of exit interviews is a matter for the individual services in CHO Dublin South, Kildare and West Wicklow (CHO7) and as they are confidential would require permission from staff for the content to be shared.

I trust this information is of assistance to you but should you have any further queries, please do not hesitate to contact me.

Yours sincerely
