Deputy Sorca Clarke  
Dáil Éireann  
Leinster House  
Dublin 2.

**PQ 36469/22: To ask the Minister for Health the number of whole-term equivalent epilepsy nurses working in each hospital in the years of 2020, 2021 and to date in 2022, in tabular form**

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I am advised that the HSE does not have a specific grade of Epilepsy Nurse. We do not possess details on the number of nurses based in Neurology departments as data at this level is not currently held centrally.

Yours sincerely,

---
