**PQ 37396/22 To ask the Minister for Health the number of nurses, healthcare assistants, consultants, non consultant hospital doctors and radiographers who left working for the HSE to work in the private sector or to work abroad from 2016 to date and further broken down by year in tabular form; and if he will make a statement on the matter. -David Cullinane**

Dear Deputy,

I refer to your recent parliamentary question which was sent to the HSE for response.

The HSE does not have a standard mechanism to record the details of where staff exiting the HSE are moving to/taking up new positions. I have to advise the Deputy that the HSE does not have details of the numbers of staff who have left the HSE to move to the private sector or abroad for the years requested.

Yours sincerely,
