PQ Question: To ask the Minister of Health for the full range of health and social care services for children with disabilities outsourced by the HSE through CAMHS from 2016 to date, broken down by year; and if he will make a statement on the matter.- David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

CAMHS do not outsource health and social care services for children with disabilities.

I trust this information is of assistance to you.

Yours sincerely,
