**PQ 37517/22\* To ask the Minister for Health the status of the provision of a primary care centre for Swords, County Dublin as of July 2022; and if he will make a statement on the matter. - Duncan Smith**

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The Swords Primary Care Centre (PCC) is being delivered through the HSE Primary Care Centre Operational Lease mechanism. The PCC at Swords was included in the most recent national advertisement campaign, seeking expressions of interest from third parties for the provision of PCC accommodation.

The HSE recently sought final submissions from interested parties that met all qualifying criteria, and the selection process is now concluded. In line with governance procedures, the project for construction of a PCC at Swords was approved by the HSE Board at the end of January 2022.

The project delivery date is estimated as 2025.

Yours sincerely,

---
