Re PQ 37877/22 - To ask the Minister for Health if the HSE has signed contracts or entered into any agreement with a private company (UHPC) to locate HSE services in a new unit that it is seeking to build in Navan, County Meath; if there have been any discussions between the company or any of its associated companies or agents to enter into an agreement with them in the delivery of health services in Meath – Peadar Tóibín

Dear Deputy Tóibín,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to Minister Donnelly for response. I have examined the matter and outlined the position as follows.

The company listed, UHPC, were the preferred providers selected to deliver the Navan Primary Care Centre. The HSE did enter into an agreement with UHPC which would involve the HSE leasing a building subject to UHPC delivering the building to agreed specifications within an agreed period of time.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
