PQ 38127/22* To ask the Minister for Health the status of the new 96-ward block at Wexford General Hospital; and if he will make a statement on the matter. -Verona Murphy

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE Capital and Estates department is currently progressing the project for the delivery of the ninety six bed medical ward block replacement accommodation at Wexford General Hospital.

It is anticipated a design team will be appointed in September 2022. This will enable the commencement of the preliminary design of this project.

Yours sincerely,

Paul de Freine
National Director,
Capital & Estates
