Ref: WM/PQ's/220728

29th July 2022

Deputy Claire Kerrane
Dáil Éireann
Leinster House
Dublin 2

PQ39062/22

To ask the Minister for Health the average amount of overtime worked by ambulance paramedics servicing Roscommon in 2021 and to the end of June 2022, broken down by month; and if he will make a statement on the matter

Dear Deputy Kerrane,

The National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the minister for response.

Staff are categorised on Finance & payroll systems according to Department of Health pay grades. The data provided in the table on the following page is based upon grade codes 6463 (Emergency Medical Technician) and 6464 (Lead Emergency Medical Technician).

The average cost is based on the number of entries/records on the systems which may differ from WTE as staff may have transferred between areas in a given month (2 entries on system) and some staff may not do overtime in a given month.

I trust this information is of assistance.

Yours sincerely

William Merriman
Deputy Director
National Ambulance Service
