**"To ask the Minister for Health the progress made on the provision of the Primary Care Centre scheduled for Bangor Erris, County Mayo; the timeline for delivery of same."**

Dear Deputy Conway-Walsh,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted for response. I have examined the matter and the following outlines the position.

Prospective developers and their sites have been shortlisted for the proposed Primary Care Centre. The next stage is to request priced offers from each developer. We are currently working on a new template for this stage which is due for sign off in the coming weeks. It is hoped to issue this thereafter.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

pp
