PQ Question: To ask the Minister for Health the number of funded clinical posts in CAMHS, broken down by CHO in tabular form; and if he will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The table below shows the staffing levels across the 73 community CAMHS teams as of May 2022. This data is staffing in situ at point in time and is inclusive of agency/locums etc. This data differs from the census data which reports directly from the HSE payroll system. Both data sets do not match due to financial reporting constraints and therefore should not be confused with each other.
