“To ask the Minister for Health if his attention has been drawn to a day centre (details supplied) for young adults with disabilities that has no manager in place for some time; the steps that have been taken to install a manager for the centre; and if he will make a statement on the matter.”

Dear Deputy Pringle

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and can confirm that the HSE HR Department has offered the position of Clinical Nurse Manager in Cashel na Cor Community Inclusion Hub (CIH), Buncrana to the existing panel and to date the position has not been accepted. A Staff Nurse and Health Care Assistant position for Cashel na Cor CIH have also been offered to existing panels and to date these positions have not been accepted. All three positions will continue to be offered to existing and new panels by the HR Department.

In the interim management cover is being provided by the Nurse in charge and supported by a Clinical Nurse Manager.

I trust that this is of assistance but please do not hesitate to contact me if you require anything further.

Yours sincerely
