**Deputy John Brady

PQ 40644/22: To ask the Minister for Health the number of independent dental practices who are currently signed up to the dental treatment services scheme in each of the years 2017 to 2021 and to date in 2022, in tabular form broken down by CHO; and if he will make a statement on the matter.

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Adult medical card holders have access to dental services under the Dental Treatment Services Scheme (DTSS) through care provided by private dentists that hold DTSS contracts with the HSE.

The data requested is detailed in the attached Excel Spreadsheet for each of the years 2017-2021 and to date in 2022. The difference in the number of contractors between each year include resignations/retirements and new entrants to the scheme.

I trust this information is of assistance to you, but if you require further clarification please do not hesitate to contact me.

Yours Sincerely,

**Joseph Green
AND, National Oral Health Lead - Operations**
