Re: *“To ask the Minister for Health the number of children who are on the waiting list for an appointment for early intervention services for speech and language therapy, occupational therapy and psychology broken down by waiting list timeframes less than 3 months, 3 to 6 months, 6 to 12 months and more than 12 months for CHO7 west Wicklow in tabular form; and if he will make a statement on the matter.”*

- John Brady TD

Dear Deputy Brady,

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response. I requested the Manager of the Children’s Disability Network Team for South Kildare & West Wicklow to examine the matter and the following outlines the position.

Children’s Disability Services are structured based on an interdisciplinary model and we do not hold individual discipline waiting lists. Therefore unfortunately, I cannot provide the information requested as we do not hold this information.

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

P.P
