PQ41906/22

To ask the Minister for Health when the National Ambulance Service will publish its workforce plan for 2022 to 2026; and if he will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The current Workforce Plan has been developed and is awaiting final approval by the HSE before it will be published and available. The Workforce Plan is an extensive document developed to meet the demands in providing Pre Hospital Emergency Care in the current health climate and in the future.

I trust this information is of assistance.

Yours sincerely

Colette Walsh
Assistant National Director Human Resources
National Ambulance Service
