Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Please note that the information is not available in the format requested however the tables below show waiting lists data captured for patients over 65 years of age at the end of April 2022, which is still to be validated and is therefore subject to change.

I trust this information is of assistance to you.

Yours sincerely,
