Re: PQ 29446/22

*** To ask the Minister for Health if an investigation has been undertaken by his Department in relation to the person or body that made the decision to close the emergency departments in Nenagh and Ennis Hospitals; the way this has contributed to the record overcrowding at University Hospital Limerick; and if a person or body will be held to account for these decisions. -Peadar Tóibín**

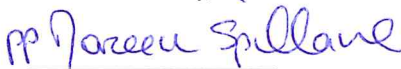

Dear Deputy Tóibín,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

UL Hospitals Group is not aware of any investigation undertaken regarding the closure of the Emergency Departments in Ennis and Nenagh Hospitals.

I trust this clarifies the position, please contact me if you have any further queries.

Yours sincerely,

Prof Colette Cowan
Chief Executive Officer
UL Hospitals Group
