24th June 2022

Deputy David Cullinane
Dáil Eireann
Leinster House

PQ 29685/22

The mean, median and maximum patient experience time to admission for all patients for emergency department admissions and broken down for those under 75 and 75+ years of age for each emergency department for each statutory HSE and public voluntary hospital by hospital group in May 2022 totalled for each category and group in tabular form.

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The HSE do not report the information in the categories as you have outlined. I therefore can provide the average waiting times, in hours, from registration to admission broken down for those under 75 and for those aged 75+, by Hospital, and same is attached.

Please note the May data is preliminary and subject to change.

I trust this response is helpful.

Yours sincerely,

Jacqueline McNulty
