PQ 29808/22

To ask the Minister for Health the planned number of acute inpatient beds to be added and total by year-end 2022; and if he will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I can confirm that a further 381 acute inpatient beds are currently planned, of which it is expected that 208 will deliver by year end 2022.

I hope this response is helpful.

Yours sincerely,

Jacqueline McNulty
