Re: PQ 29817/22– Bed Unit Costs, NRH

“To ask the Minister for Health the estimated all-in revenue cost of an additional 1, 10 and 50 national rehabilitation hospital bed units; and if he will make a statement on the matter.”

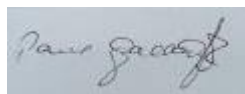

Dear Deputy David Cullinane,

I refer to the above Parliamentary Question seeking an update on the estimated all-in revenue cost of an additional 1, 10 and 50 hospital bed units in the National Rehabilitation Hospital (NRH), which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that the current average cost of an additional bed at the National Rehabilitation Hospital (NRH) runs at approximately €1313.00 per 1 bed unit per day. 10 beds would be x10 times, 50 beds would be x 50 times etc.,

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
