Re PQ: 30153/22

To ask the Minister for Health if the HSE is providing transcranial magnetic stimulation for the treatment of cocaine addiction and or for mental health care; and if so, the locations in which the treatment is provided.

Dear Deputy Collins,

The Health Service Executive have been requested to reply directly to your above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following response outlines the position:

The HSE does not provide transcranial magnetic stimulation for the treatment of cocaine addiction and/or for mental health care.

Should you have any further queries please contact me.

Yours sincerely,

Prof Eamon Keenan
National Clinical Lead-Addiction Services
HSE National Social Inclusion Office
