PQ 30600/22 To ask the Minister for Health if community swabbers who worked in Covid-19 testing centres from January 2021 onwards have been excluded from receiving the pandemic bonus payment; and if so, the reason for same.

Dear Deputy O'Broin

I refer to your recent parliamentary question above which was sent to the HSE for reply.

I can confirm that staff who worked in the area of Covid Vaccination and Swabbing are encompassed, subject to fulfilling the minimum attendance criteria contained in the HSE HR Circular 12/2022.

Yours sincerely,

John Delamere,
