Dear Deputy Cullinane,

**Re: PQ30678/22: To ask the Minister for Health the number of knee joint replacement surgeries carried out at Roscommon University Hospital in 2021 and to date in 2022, in tabular form; and if he will make a statement on the matter.**

The HSE has been requested to reply directly to you in relation to the above Parliamentary Question / Public Representation that you submitted to the Minister for Health for response. The following outlines the current position.

As a Model 2 hospital, Roscommon University Hospital does not provide a knee joint replacement surgical service.

Yours sincerely,
